## **From the Pastors Desk**

Dear Friends,

November brings to mind many significant happenings. The 1<sup>st</sup>, following All-Hallows-Eve, is our remembrance of All Saints Day; the day we celebrate those who have finished running the course of their faith and now rest from their labors. We purposefully do this during worship on the first Sunday in November each year, including naming those who have joined the church triumphant from our congregation in the last 12 months. The life of faith is a strange mixture of grieving those who have passed and celebrating their life on earth and eternal.

November wouldn't be the same without the beautiful changing leaves! The shorter, cooler days also remind us that it is the season of Thankfulness. In the United States, this began as a time to thank God for harvest and health. Today, most of our lives are abundantly blessed in ways above and beyond anything the first celebrants could have even imagined! We know this, yet on any given day, we may think ourselves needing more – more of what exactly it may be hard to say... just more. What a blessing it would be to be like the Apostle Paul, who wrote, "I am not saying... I am in need, for I have learned to be content whatever my circumstances." (Philippians 4:11) Perhaps we should fo-

cus our thankfulness on being thankful for harvest and health and “content whatever the circumstances”.

In a sideways glance at the month, we might think of being thankful for the saints in our lives. Who are the people that have joined the Church Triumphant that have most inspired you? What about them was inspiring and touched your soul? What does this tell you about what is important in life or what we truly “need” to be content? Take these questions to heart! Because November consistently brings with it another significant time in our cultural calendar: Christmas shopping. As I sat with a group of church folks who were complaining about Christmas decorations being out with the Halloween decorations, someone made a very important point: Christmas is only as commercial or materialistic as we make it. We don’t have to shop early or dive into over decorating, trying to outdo the neighbors with a barrage of lights. We don’t have to buy all the biggest and best gifts or outspend friends or family members. Christmas is only as commercial or materialistic as we make it.

Regardless of what we have been through or who we might have lost this year, may God bless us with thankful hearts and good health. May we find our way to contentment in any circumstance. And may we find a way to impart to others the value we have found in having God in our lives.

See you in church!

Thankfully yours,

Pastor Joy

## 2020 Walk to Cure Arthritis

Many of you may have noticed a few new smiling faces during Sunday Services this year. Kenny, Patty and their 13 year old son Jamie Bright have become regular attenders here at Faith. To make things even better, Jamie was baptized and Patty re-affirmed her faith this past June.

We want to recognize an honor that Jamie has received. Jamie was awarded the 2020 Youth Athlete Honoree for the Walk to Cure Arthritis 2020 in Columbus, Ohio.

“Jamie was diagnosed with polyarticular juvenile idiopathic arthritis on March 12, 2019. He went from playing right wing on his ice hockey team to watching from the stands.

For Jamie, It began In November of 2018. What started as right knee pain after a hockey game rapidly progressed to the inability to walk, take the cap off of the toothpaste and climb the steps onto the school bus. He stopped singing in the shower, couldn't sleep at night and no longer was his cheerful self.

Jamie was sent to Dr. Toruner at Nationwide Children's Hospital Rheumatology Department and was diagnosed with polyarticular juvenile idiopathic arthritis. Jamie was immediately admitted to the hospital and received aggressive treatment over the course of several days. By the time he was discharged, he could walk, was nearly pain free and smiling again.

To help manage his symptoms, Jamie receives weekly Methotrexate injections and biweekly Humira injections. He has blood drawn monthly so his doctor can monitor his joints and ensure his body is handling his medications properly.

Dear Congregation,

I want to thank you for your many expressions of appreciation and kind words of gratitude during the month of October, Pastor Appreciation Month. I have been overwhelmed by your demonstrations of friendship! Thank you for being who you are and for so willingly partnering with one another and with me in worship and ministry and study, that we might continue to grow into the Body of Christ that God intends.

In Christian love,

Pastor Joy

Happy 20th wedding anniversary to Jim & Gail McGreevy!  
They were married on November 27, 1999.

A little girl finally got to attend a wedding for the first time. While in the church, the girl asked her mother: "Why is the bride dressed in white?" The mother replied to the girl: "because white is the color of happiness and it's the happiest day of her life today." After a little bit, the girl looks up at her mother and says: "But, then why is the groom wearing black?"

After having children, Adam and Eve started getting a lot of questions from their kids about why they no longer lived in Eden. Adam has a simple answer for this: "Your mother ate us out of house and home."
